

Down 2 Earth Gardens, LLC
Consulting Contract

Doreen Pollack, owner of Down 2 Earth Gardens, LLC will provide one 90 minute consultation without notes at the rate of \$100. (Typed notes and hand-drawing is an extra \$100) The initial visit is a minimum of \$100. Once under contract all work is billed at 30 minute intervals.

A landscape consultation includes a walk through your property to:

- Defining your garden purpose
- Assessment of soil and needed amendments
- Assessment of sun and shade on property
- Consideration of design and scale of landscape in relation to style and size of the house and the views in all directions
- Recommendations for lighting, beautiful sounds and safety features
- Collaboration with customer for choices of colors and any plant preferences, paying attention to the existing neighborhood conditions
- Recommendations for hardscape (decks, walks, walls) and artwork
- Consideration of lifestyle needs for children, the elderly, vehicles or equipment
- Recommendations for do-it- yourselfers for soil, pruning, art, rockwork, edging, transplanting, noticing and enhancing views from the inside
- How to purchase plants and place in appropriate location according to the design layout

This option is available with the entire above plus: (at the rate of \$100)

- Walkthrough notes and hand-drawing so that the client can easily read the plan and the plant list with all requirements noted

Note: The Garden Goddess does not install plants, trees, shrubs or any other landscaping elements. However, we provide coordination with all subcontractors (billed at D2EG hourly rates).

The client as described below will provide their input throughout the process. He/She will make all final decisions on all recommended plants, hardscape and services. He/She is provided a Garden Vision Worksheet © that provides important details to Doreen for design and plant recommendations.
